ANNUAL MEETING OF SHAREHOLDERS TO BE HELD ON JUNE 17, 2008

GENERAL INFORMATION

General

This Proxy Statement is furnished by the Board of Directors (the “Board of Directors”) of EP Global Communications, Inc., a Delaware corporation (the “Company”), to the shareholders of the Company in connection with a solicitation of proxies for use at the Annual Meeting of Shareholders (the “Annual Meeting”) to be held at 2PM on June 4, 2008 at Sunnehanna Country Club, 1000 Sunnehanna Drive, Johnstown, PA 15905 and at any and all adjournments thereof. This Proxy Statement and the accompanying materials are first being mailed to shareholders on or about May 2, 2008. The Company’s principal executive office is located at 416 Main Street, Johnstown, PA 15901.

Entitlement To Vote

If you are a registered holder of shares of our common stock on the record date, you may vote those shares of our common stock in person at the annual meeting or by proxy in the manner described below under “Voting of Proxies.” If you hold shares of our common stock in “street name” through a broker or other financial institution, you must follow the instructions provided by your broker or other financial institution regarding how to instruct your broker or financial institution to vote your shares.

Voting Of Proxies

You can vote the shares that you own of record on the record date by either attending the annual meeting in person or by filling out and sending in a proxy in respect of the shares that you own. Your execution of a proxy will not affect your right to attend the annual meeting and to vote in person.

You may revoke your proxy at any time before it is voted by:

- (a) filing a written notice of revocation of proxy with our corporate secretary at any time before the taking of the vote at the annual meeting;
- (b) executing a later-dated proxy relating to the same shares and delivering it to our

corporate secretary at any time before the taking of the vote at the annual meeting; or

- (c) attending at the annual meeting, giving affirmative notice at the annual meeting that you intend to revoke your proxy and voting in person. Please note that your attendance at the annual meeting will not, in and of itself, revoke your proxy.

All shares of common stock represented by properly executed proxies received at or prior to the annual meeting that have not been revoked will be voted in accordance with the instructions of the stockholder who has executed the proxy. If no choice is specified in a proxy, the shares represented by the proxy will be voted for the election of all the nominees to serve as our directors and for the approval of all of the other proposals set forth in the accompanying notice of meeting. The shares represented by each proxy will also be voted for or against such other matters as may properly come before the annual meeting in the discretion of the persons named in the proxy as proxy holders. We are not aware of any other matters to be presented for action at the annual meeting other than those described herein.

Any written revocation of proxy or subsequent later-dated proxy should be delivered to EP Global Communications, Inc., C/O Exceptional Parent Magazine, 416 Main Street, Johnstown, PA 15901, Attention: Joseph M. Valenzano, Jr., Chief Executive Officer.

Record Date And Shares Entitled To Vote

Our Board of Directors has fixed the close of business on April 25, 2008 as the record date for the determination of stockholders entitled to notice of and to vote at the annual meeting. Holders of common stock are entitled to one vote at the annual meeting for each share of common stock held of record at the record date. There are no separate voting groups and 4,503,333 Series A, and 309 Series B shares of preferred stock outstanding. There is no cumulative voting in the election of directors.

Quorum

A quorum is necessary to hold a valid meeting of our stockholders. The required quorum for the transaction of business at the annual meeting is a majority of our issued and outstanding shares as of the record date.

In order to be counted for purposes of determining whether a quorum exists at the annual meeting, shares must be present at the annual meeting either in person or represented by proxy. Shares that will be counted for purposes of determining whether a quorum exists will include:

1. shares represented by properly executed proxies for which voting instructions have been given, including proxies which are marked "Abstain" or "Withhold" for any matter;
2. shares represented by properly executed proxies for which no instruction has

been given; and

3. broker non-votes.

Broker non-votes occur when shares held by a broker for a beneficial owner are not voted with respect to a particular proposal because the broker has not received voting instructions from the beneficial owner and the broker does not have discretionary authority to vote such shares.

Votes Required

Proposal One - Election of Directors: The affirmative vote of the holders of a plurality of the shares of common stock voting is required for the election of our directors. This means that the nominees who receive the greatest number of votes for each open seat will be elected. Votes may be cast in favor of the election of directors or withheld. A vote is withheld when a properly executed proxy is marked WITHHOLD for the election of one or more directors. Votes that are withheld and broker non-votes will be counted for the purposes of determining the presence or absence of a quorum but will have no other effect on the election of directors.

Proposal Two – Approving the amendment to the Company’s Articles of Incorporation to increase the authorized number of common shares from 500,000,000 to 2,000,000,000: The affirmative vote of the majority of shares present in person, or represented by proxy is required for approval of the increase in authorized common shares, and preferred shares. Votes may be cast in favor of the increase in authorized common shares, and preferred shares, or withheld. A vote is withheld when a properly executed proxy is marked WITHHOLD for the increase in Common and Preferred shares. Votes that are withheld and broker non-votes will be counted for the purposes of determining the presence or absence of a quorum but will have no other effect on the increase in the Company’s authorized common and preferred shares.

Other Matters

It is not expected that any matters other than those referred to in this proxy statement will be brought before the annual meeting. If other matters are properly presented, however, the persons named as proxy appointees will vote in accordance with their best judgment on such matters. The grant of a proxy also will confer discretionary authority on the persons named as proxy appointees to vote in accordance with their best judgment on matters incident to the conduct of the annual meeting.

Communication With Board Of Directors

Security holders can send communications to our Board of Directors by either telefax or regular mail at our headquarters. The correspondence should be addressed to Mr. Valenzano, the chairman of our Board of Directors. Mr. Valenzano will advise all the directors of any such correspondence.

Proposal Two: Increase in Shares of Authorized Common Stock

The Company's Articles of Incorporation, as amended (the "Articles of Incorporation") authorizes the maximum number of shares outstanding at any time shall be five hundred million (500,000,000) shares of Common Stock, \$.0001 par value. On April 7, 2008, the Board of Directors approved an amendment to the Articles of Incorporation to authorize two billion (2,000,000,000) shares of Common Stock. The Board of Directors is authorized to fix the number of shares of and to determine or alter the rights, preferences, privileges and restrictions granted to or imposed upon the Common Stock.

The general purpose and effect of the amendment to the Company's Articles of Incorporation is to authorize 1,500,000,000 additional shares of Common Stock. The Board of Directors believes that it is prudent to have additional shares of Common Stock available for general corporate purposes, including acquisitions, equity financings, stock dividends, stock splits or other recapitalizations, and grants of stock options. Specifically, the increase in authorized shares is necessary based upon the recent financing completed by the Company. When the Board of Directors deem it to be in the best interests of the Company and the Stockholders to issue additional shares of Common Stock in the future from authorized shares, the Board of Directors generally will not seek

further authorization by vote of the Stockholders, unless such authorization is otherwise required by law or regulations.

These additional shares of Common Stock could have an anti-takeover effect. If the Company's Board of Directors desires to issue additional shares in the future, such issuance could dilute the voting power of a person seeking control of the Company, thereby deterring or rendering more difficult a merger, tender offer, proxy contest or an extraordinary corporate transaction opposed by the Company.
